

EOEX PROSPECTING & BUSINESS DEVELOPMENT IMPLEMENTATION GUIDE

Business Unit: AKIBAI

Education Center

1.0 Executive Summary for Prospecting

This guide is designed for the EOEX business development team. It provides a comprehensive, step-by-step framework for identifying, engaging, and converting stakeholders for **Akibai**, the education center of EOEX. Akibai bridges the critical gap between traditional fashion education and the digital skills required in the modern fashion industry. Its unique value proposition lies in offering fashion-specific AI, business, and professional development courses, integrated directly with the EOEX ecosystem.

Akibai's core value proposition lies in solving the most urgent pain points of its stakeholders:

- **Fashion Professionals:** A critical AI literacy gap, a lack of digital skills, and the rapid technological transformation of the industry.

3.0 Step-by-Step Plan to Locate & Engage Stakeholders

This plan outlines how to apply the persona insights to proactively find and connect with Akibai's key stakeholders.

3.1 How to Find Fashion Professionals & Executives

- **LinkedIn:**

- **Search Strategy:** Use Sales Navigator to create advanced searches targeting professionals in the fashion, luxury, and retail sectors with titles like "Marketing Director," "Head of Design," "Supply Chain Manager," "Brand Manager." Filter by location (Paris, Milan, London, NYC) and by years of experience (5-10+ years).
- **Messaging:** Connect with a focus on their specific challenges. "Hi [Name], I see you're a Marketing Director at [Brand]. We've found that 62% of luxury managers lack professional AI skills. Our courses are designed specifically for fashion professionals to bridge that gap."

3.2 How to Find Fashion Designers & Models

- **Instagram & Social Media:**
 - **Search Strategy:** Use the same strategies as in the Ariella and Publishing guides to find designers and models.
 - **Engagement:** Engage with content related to new tools and technology. "That's an amazing design. Did you know that 65% of fashion firms are now demanding 3D proficiency? Akibai has courses to get you up to speed."
- **LinkedIn:**
 - **Search Strategy:** Search for "Fashion Designer," "Creative Director Fashion," "Model," "Fashion Illustrator."

3.3 How to Find Corporate Training & L&D Managers

- **LinkedIn:**
 - **Search Strategy:** Search for "L&D Manager," "Corporate Training Manager," "Director of Learning," "Talent Development Manager" in the fashion, retail, and luxury sectors.
 - **Messaging:** Focus on their need to upskill employees efficiently. "Hi [Name], with the rapid pace of AI adoption, finding scalable training solutions is critical. We offer corporate training programs specifically designed for the fashion industry. Let's discuss how we can help you prepare your workforce for the future."
- **Other Sources:**
 - **Corporate Websites:** Research and identify HR and L&D leaders at target fashion companies.
 - **Industry Events:** HR and L&D conferences.

4.0 Prospecting Canvas: List of Example Stakeholders & Resonant Messaging

High Priority: Priority Level 1 (Most Sensitive/High Value) *These stakeholders are actively experiencing the most critical pain points (e.g., skills gap, AI literacy).*

- **Stakeholder (Fashion Professional):** "FashionMgr_JPM" on LinkedIn posting about the struggle to keep up with digital transformation.

- **Resonant Message:** "The digital transformation of fashion is moving fast, and it's easy to feel left behind. At Akibai, we believe AI literacy is the new fundamental skill. We're not just teaching AI; we're teaching how to apply it to the very challenges you're facing. Let's talk about how to future-proof your career."
- **Stakeholder (Fashion Student):** "Lucas.Design" on Twitter complaining about the cost of his degree and its lack of practical skills.
 - **Resonant Message:** "The cost of education is a massive burden, and it's frustrating when it doesn't prepare you for the real world. At Akibai, we offer targeted, practical courses in AI and business skills that your university isn't teaching. It's the fast-track to making you job-ready."

Medium Priority: Priority Level 2 (Sensitive/Aware) *These stakeholders are aware of their challenges and are beginning to look for solutions.*

- **Stakeholder (Fashion Designer):** A designer, "Claire Fontaine," sharing work on Instagram but not using any digital tools.
 - **Resonant Message:** "Claire, your work is beautiful. Are you using AI or 3D tools in your workflow? The market is demanding it. 65% of fashion firms are now asking for 3D skills. Akibai can help you master these tools and stay ahead of the curve."

Low Priority: Priority Level 3 (Potential) *These stakeholders could benefit from the solution but may not yet know it exists.*

- **Stakeholder (Corporate L&D Manager):** "Sylvie Martin" a corporate trainer who has not yet integrated any AI or digital training into the curriculum.
 - **Resonant Message:** "Sylvie, the skills gap in the fashion industry is widening, and AI literacy is at the center of it. We're helping organizations like yours build a more resilient and future-ready workforce. We can design a custom program that perfectly fits your team's needs."
