

EOEX PROSPECTING & BUSINESS DEVELOPMENT IMPLEMENTATION GUIDE

Business Unit: CARTÉSIENES

Fashion Modelling Mother Agency

1.0 Executive Summary for Prospecting

This guide is designed for the EOEX business development team. It provides a comprehensive, step-by-step framework for identifying, engaging, and converting stakeholders for **Cartésienes**, the fashion modelling mother agency of EOEX. Cartésienes directly addresses the "broken" talent agency model by empowering talent with transparent contracts, fair commissions, and genuine career development support. Its unique value proposition lies in its ethical, model-first approach and its integration with the EOEX ecosystem.

Cartésienes' core value proposition lies in solving the most urgent pain points of its stakeholders:

- **Models:** Excessive commissions (up to 50%), unfair contracts, power asymmetries, exploitation, and a lack of career development.
- **Fashion Brands & Designers:** Difficulty finding reliable, professional, and diverse talent.
- **Industry Professionals:** An inefficient and opaque casting process.

This guide will enable your team to target these stakeholders precisely, using resonant messaging and a deep understanding of their "money drains" to demonstrate unparalleled value.

2.1.1 Persona Profile: Aspiring Model

(Based on sections 2.E.7.1 and 2.A.3.7.1)

- **Profile Name:** Camille Rousseau
- **Job Title:** Aspiring Fashion Model / Student
- **Age Range:** 16-22
- **Location:** France / International
- **Job Specifications:** A model poses and walks to showcase clothing, accessories, and products; collaborates with stylists, photographers, and designers; participates in runway shows, photo shoots, and fittings. No formal diploma required; no state certification exists for this profession.
- **On-the-Job Responsibilities:**
 - Attending castings and auditions.
 - Participating in photo shoots.
 - Walking in runway shows.
 - Building and maintaining a portfolio.
 - Managing social media presence and personal brand.
 - Creating UGC content for brands.
- **10 Pain Points & Challenges:**
 1. **Unfair Contracts:** Obscure, one-sided contracts.
 2. **High Commissions:** Paying 20-50%+ of earnings to agencies.
 3. **Low Take-Home Pay:** Seeing less than half of booking fees after deductions.
 4. **Power Imbalance:** Inability to negotiate fair terms.
 5. **Limited Education:** No formal training on contracts, rights, or industry challenges.
 6. **Exploitation Risk:** Vulnerability to exploitation by agencies and clients.
 7. **Late Payments:** Waiting months for payment.
 8. **Financial Instability:** Irregular income, no financial planning support.
 9. **Career Transition:** No support for a career after modelling.
 10. **UGC Content Demand:** Lack of training in user-generated content creation.
- **On-the-Job Inefficiencies:**
 - Poor contract negotiation, accepting unfavorable terms.
 - Limited career planning and a lack of structured development.
 - Limited industry connections.
 - Poor financial management.
- **On-the-Job Money Drains:**
 - **Commission Fees:** 20-50%+ lost to agencies.
 - **Unpaid Work:** "Exposure" jobs with no compensation.
 - **Travel Costs:** Significant expenses for castings and bookings.
 - **Portfolio Costs:** Expensive portfolio development.

EOEX Solution Table for Aspiring Model

Pain Point / Challenge	EOEX Solution (Cartésienes)	Benefit to Stakeholder
Unfair Contracts & High Commissions	Transparent, easy-to-understand contracts and a fair, capped commission structure (10-20%).	Peace of mind, financial security, and a fair share of their earnings.
Power Imbalance & Exploitation	Model rights education and advocacy to empower them to stand up for their interests.	Protection from exploitation and the confidence to negotiate fair terms.
Limited Education & Support	Comprehensive career development, portfolio development, and access to the EOEX ecosystem.	A clear path to a sustainable, successful career, not just a series of one-off jobs.
UGC Content Demand	UGC content creation training and services to help them meet the growing market demand.	A new, high-value skill set that makes them more marketable and commands premium rates.
Financial Instability	Financial literacy education and a reliable, transparent payment system.	A more stable and predictable financial future.

(Based on section 2.E.7.3)

- **Profile Name:** Jean-Pierre Laurent
- **Job Title:** Fashion Designer / Brand Owner
- **Age Range:** 30-55
- **Location:** Paris / International
- **Job Specifications:** A fashion designer or brand owner who needs talent for shows, campaigns, and collections; seeks reliable, professional talent; builds relationships with agencies and talent.
- **10 Pain Points & Challenges:**
 1. **Talent Sourcing:** Finding the right talent.
 2. **Casting Efficiency:** Efficient and effective casting.
 3. **Budget Constraints:** Limited casting budget.
 4. **Reliability:** Finding reliable talent.
 5. **Diversity:** Finding diverse talent.

6. **UGC Content:** Finding talent for UGC content.
 7. **Professionalism:** Finding professional, trained talent.
 8. **Relationships:** Building and maintaining agency relationships.
 9. **Cost:** The high costs of talent.
 10. **Availability:** Talent availability for shows and campaigns.
- **On-the-Job Inefficiencies:**
 - Time-consuming, ineffective casting.
 - Talent mismatch, not matching brand needs.
 - Agency relationships not managed effectively.
 - Limited access to quality talent.
 - **On-the-Job Money Drains:**
 - **Missed Opportunities:** Lost revenue from ineffective casting.
 - **Production Delays:** Delays from talent issues.
 - **Inefficient Processes:** High costs from inefficient casting.

EOEX Solution Table for Fashion Brand (Employer)

Pain Point / Challenge	EOEX Solution (Cartésienes)	Benefit to Stakeholder
Talent Sourcing & Professionalism	Access to a curated roster of Ariella-trained, professional models.	A reliable source of trained, professional talent that is ready to work from day one.
Casting Efficiency	An efficient, streamlined casting process via the EOEX ecosystem.	Reduced time and cost in finding the right talent for campaigns and shows.
Diversity & UGC	A diverse talent pool and access to UGC content creators.	The ability to meet diversity and UGC demands without extra effort.
Cost & Budget	Transparent, fair pricing and a direct relationship without hidden fees.	Controlled casting budget and a clear understanding of costs.
Reliability	A reputation for professionalism and a focus on reliable talent.	Peace of mind that the talent will show up, be prepared, and perform.

3.0 Step-by-Step Plan to Locate & Engage Stakeholders

This plan outlines how to apply the persona insights to proactively find and connect with Cartésienes's key stakeholders.

3.1 How to Find Aspiring & Professional Models

- **Instagram & Social Media:**

- **Search Strategy:** Use the same strategies as in the Ariella guide: search for models via agency tags (@imgmodels, @elitemodel) and hashtags (#modeling, #runwaymodel, #editorialmodel).
- **Engagement:** DM with a value-first, educational approach. "Hi [Name], love your look. We're a new mother agency in Paris, and we're different. We don't take 50% of your fees. We offer transparent contracts and a model rights education to protect you. Want to know more?"
- **Other Sources:**
 - **Industry Events:** Casting calls, fashion shows, and model-focused events.
 - **Online Casting Platforms:** Platforms like Models.com, Casting Networks.

3.2 How to Find Fashion Brands & Designers

- **LinkedIn:**
 - **Search Strategy:** Target "Creative Director," "Head of Design," "Brand Owner" at target fashion brands.
 - **Messaging:** Connect with a focus on their need for reliable talent. "Hi [Name], we're a new, ethical modelling agency in Paris that focuses on transparent contracts and fair representation. We have a unique pipeline of Ariella-trained talent. Let's connect."
- **Other Sources:**
 - **Industry Events:** Paris Fashion Week, Première Vision.
 - **Trade Publications:** Keep up with news on which brands are hiring or launching new campaigns.

3.3 How to Find Casting Directors & Talent Scouts

- **LinkedIn:**
 - **Search Strategy:** Search for "Casting Director," "Talent Scout," "Casting Agent."
- **Other Sources:**
 - **Casting Agencies:** Many casting directors work for agencies or are freelance.
 - **Industry Directories:** Look for directories of casting professionals.

4.0 Prospecting Canvas: List of Example Stakeholders & Resonant Messaging

High Priority: Priority Level 1 (Most Sensitive/High Value) *These stakeholders are actively experiencing the most critical pain points (e.g., exploitation, unfair contracts).*

- **Stakeholder (Aspiring Model):** An aspiring model, "Camille.R", posting on social media about being scammed by a fake agency.
 - **Resonant Message:** "Camille, I'm so sorry to see you've been scammed. It's a story we hear too often. At Cartésiennes, we're building a different kind of

agency—one that protects you with transparent contracts and teaches you your rights. We're fighting for a safer industry. Join us."

- **Stakeholder (Professional Model):** "Alexandre.M", an established model on LinkedIn, posting about the difficulties of career transition.
 - **Resonant Message:** "Alexandre, the 'what's next' question is a big one. Cartésienes is about building sustainable, long-term careers. We provide career development and transition support, so you're not just a model, but a professional with a future."

Medium Priority: Priority Level 2 (Sensitive/Aware) *These stakeholders are aware of their challenges and are beginning to look for solutions.*

- **Stakeholder (Fashion Designer):** A designer looking for diverse models for a new campaign.
 - **Resonant Message:** "We've heard from many designers that finding diverse talent is a challenge. At Cartésienes, diversity isn't just a word; it's our commitment. Our diverse roster is ready for your next show or campaign."

Low Priority: Priority Level 3 (Potential) *These stakeholders could benefit from the solution but may not yet know it exists.*

- **Stakeholder (UGC Brand):** An emerging D2C brand looking for user-generated content.
 - **Resonant Message:** "Are you struggling to find authentic, high-quality UGC? Our models are trained in UGC creation and can deliver content that resonates with your audience. Let's discuss how we can help you build a library of authentic brand content."
