

EOEX PROSPECTING & BUSINESS DEVELOPMENT IMPLEMENTATION GUIDE

Business Unit: EOEX PUBLISHING

Digital Literature & Kiosk

1.0 Executive Summary for Prospecting

This guide is designed for the EOEX business development team. It provides a comprehensive, step-by-step framework for identifying, engaging, and converting stakeholders for **EOEX Publishing**, the digital publishing division of EOEX. EOEX Publishing operates an online literature and kiosk platform for magazines and editorial content focused on fashion, lifestyle, and culture. Its unique value proposition lies in its integration with the EOEX ecosystem, offering unparalleled access to talent, UGC content, and a niche focus on the fashion modelling industry.

EOEX Publishing's core value proposition lies in solving the most urgent pain points of its stakeholders:

- **Fashion Enthusiasts & Professionals:** Content overload, subscription fatigue, and a lack of authentic, high-quality, niche fashion content.
- **Fashion Models & Creators:** Limited exposure, difficulty building a personal brand, and a lack of editorial opportunities.
- **Advertising Partners & Brands:** Difficulty reaching a highly targeted fashion audience and demonstrating ROI on ad spend.

This guide will enable your team to target these stakeholders precisely, using resonant messaging and a deep understanding of their challenges to demonstrate unparalleled value.

2.0 Key Stakeholders & Complete Persona Profiles

Based on the EOEX Master Document, the following stakeholders have been identified as essential to the success of the EOEX Publishing business unit.

2.1 Stakeholder Group A: Content Consumers & Contributors (B2C)

- **Fashion Enthusiast / Subscriber**
- **Fashion Model / Content Contributor**
- **Freelance Fashion Journalist**

2.2 Stakeholder Group B: Industry & Commercial Partners (B2B)

- **Digital Fashion Editor**
 - **Advertising Partner / Brand Manager**
-

2.1.1 Persona Profile: Digital Fashion Editor

(Based on section 2.B.6.1)

- **Profile Name:** Camille Laurent
- **Job Title:** Digital Fashion Editor
- **Age Range:** 28-40
- **Location:** Paris / International
- **Job Specifications:** Oversees digital content strategy and editorial direction; manages the editorial team and content calendar; ensures brand voice and editorial standards; analyzes audience metrics and engagement; collaborates with sales and marketing teams.
- **On-the-Job Responsibilities:**
 - Content planning and editorial calendar management.
 - Writing and editing fashion content.
 - Managing the editorial team.
 - Analyzing audience metrics.
 - Collaborating with sales and marketing.
 - Attending fashion events and shows.
 - Building industry relationships.
- **On-the-Job Challenges:**
 - **Content Saturation:** Standing out in a crowded digital media landscape.
 - **Audience Engagement:** Maintaining audience engagement and loyalty.
 - **Revenue Pressure:** Balancing editorial integrity with revenue generation.
 - **Talent Management:** Recruiting and retaining talented writers and editors.
 - **Platform Changes:** Adapting to algorithm and platform changes.
- **10 Pain Points & Challenges:**
 1. **Content Saturation:** Struggling to make the publication visible in a sea of endless content.
 2. **Audience Engagement:** Fighting to capture and hold the fleeting attention of readers.
 3. **Revenue Pressure:** The constant challenge of producing quality content while meeting commercial targets.
 4. **Talent Management:** Difficulty finding and retaining skilled journalists who can produce high-quality work quickly.
 5. **Platform Changes:** The unpredictable nature of social media algorithms that can drastically affect traffic.
 6. **Competition:** Intense competition from other digital publishers and high-profile influencers.
 7. **Content Quality:** Maintaining high editorial standards under tight deadlines and tight budgets.
 8. **Speed:** The relentless pressure to create and publish content at a rapid pace.

9. **Resource Constraints:** Limited budgets for original reporting, investigative journalism, and premium content.
 10. **Innovation:** Keeping up with and implementing new content formats (video, podcast, interactive) effectively.
- **On-the-Job Inefficiencies:**
 - Creating content that fails to resonate with the target audience.
 - Wasting resources on content that doesn't perform.
 - Slow adaptation to changing trends and technologies.
 - Insufficient collaboration between editorial and commercial teams.
 - **On-the-Job Money Drains:**
 - **Lost Subscribers:** Revenue loss from subscriber churn.
 - **Low Engagement:** Reduced advertising revenue due to low engagement on content.
 - **Missed Opportunities:** Lost revenue from brand partnerships and sponsored content.

EOEX Solution Table for Digital Fashion Editor

Pain Point / Challenge	EOEX Solution (EOEX Publishing)	Benefit to Stakeholder
Content Saturation	Niche focus on fashion modelling and industry insider content.	Differentiated content that stands out by targeting a specific, underserved audience.
Audience Engagement	Community building through ecosystem integration and UGC content from models and creators.	A loyal, engaged audience that feels a sense of ownership and contributes to the content ecosystem.
Revenue Pressure	Diversified revenue streams (subscriptions, advertising, sponsored content, events, ecosystem revenue).	A sustainable business model that reduces reliance on a single, volatile revenue source.
Talent Management	Access to a pipeline of talented writers, models, and creators through the EOEX ecosystem.	A pool of qualified content contributors and potential editorial talent.
Content Quality	Access to high-quality visual content from EOEX Studio and authentic stories from Cartésienes talent.	Enhanced visual storytelling and authentic editorial content that resonates with readers.

2.1.2 Persona Profile: Fashion Enthusiast / Subscriber

(Based on section 2.B.6.3)

- **Profile Name:** Sophie Bernard
- **Job Title:** Fashion Enthusiast / Subscriber
- **Age Range:** 25-45
- **Location:** France / International
- **Job Specifications:** A fashion enthusiast and content consumer; subscribes to digital and print fashion magazines; follows fashion trends and industry news; engages with fashion content across platforms.
- **On-the-Job Responsibilities:** (As a consumer, these are "responsibilities" in their lifestyle)
 - Reading fashion content.
 - Engaging with the fashion community.
 - Following fashion trends and news.
 - Sharing content with their network.
 - Providing feedback and engagement.
- **10 Pain Points & Challenges:**
 1. **Content Overload:** Feeling overwhelmed by too much content and struggling to find quality.
 2. **Information Overload:** Difficulty keeping up with all the trends and news.
 3. **Subscription Fatigue:** Managing multiple subscriptions and feeling they are not all worth the cost.
 4. **Quality Concerns:** Inconsistency in content quality across different publications.
 5. **Engagement:** Finding an authentic community and meaningful engagement, not just passive reading.
 6. **Cost:** The high cost of maintaining multiple subscriptions.
 7. **Relevance:** Content not always being relevant to their specific fashion interests.
 8. **Discovery:** Difficulty discovering new and interesting content.
 9. **Platform Fragmentation:** Having to consume content across multiple, disconnected platforms.
 10. **Value Perception:** Not seeing clear value in paying for a subscription.
- **On-the-Job Inefficiencies:**
 - Time wasted scrolling through irrelevant content.
 - Inefficient management of multiple subscriptions.
 - Limited meaningful engagement with content and brands.
- **On-the-Job Money Drains:**
 - **Subscription Churn:** Cancelling subscriptions because they don't see the value.
 - **Low Engagement:** Missing out on the full value of a subscription because they aren't engaged with the community.

EOEX Solution Table for Fashion Enthusiast / Subscriber

Pain Point / Challenge	EOEX Solution (EOEX Publishing)	Benefit to Stakeholder
Content Overload & Relevance	Curated, high-quality content with a unique focus on the fashion modelling industry and insider perspectives.	A clear and trusted source of content that aligns with their niche interests, saving them time and frustration.
Subscription Fatigue	A single, integrated subscription with clear value, offering premium content and community access.	Value for money and a reason to maintain the subscription, reducing churn.
Engagement & Community	A direct connection to the EOEX ecosystem, including models, creators, and other fashion enthusiasts.	An authentic community where they can engage, share, and feel a sense of belonging.
Quality Concerns	A commitment to editorial excellence and high-quality content creation, supported by EOEX Studio.	A reliable source of well-written, accurate, and visually stunning fashion content.
Discovery	A digital kiosk and curated editorial that introduces them to new models, designers, and trends.	A one-stop destination for discovering the latest and most interesting fashion content.

3.0 Step-by-Step Plan to Locate & Engage Stakeholders

This plan outlines how to apply the persona insights to proactively find and connect with EOEX Publishing's key stakeholders.

3.1 How to Find Fashion Enthusiasts & Subscribers

- **Instagram & Social Media:**
 - **Search Strategy:** Use hashtags like [#fashionblogger](#), [#fashionlover](#), [#modelwatch](#), [#fashiontrends](#), [#fashioninspo](#), [#parisianstyle](#), [#streetstyle](#). Follow major fashion accounts and niche model-focused accounts.
 - **Engagement:** Share compelling visual content from EOEX Studio and behind-the-scenes from the magazine. Use polls and questions in Stories to

engage. "What's the biggest challenge you face as a fashion lover?" or "Would you rather see more UGC or editorial content?"

- **LinkedIn:**
 - **Search Strategy:** Target users with "Fashion," "Luxury," "Beauty," or "Marketing" in their titles. These professionals often have a strong personal interest in fashion.
- **Other Sources:**
 - **Reddit:** Subreddits like r/fashion, r/streetwear, and r/malefashionadvice.
 - **Fashion Forums & Communities:** The Purse Forum, Styleforum, and other online communities.

3.2 How to Find Fashion Models & Content Contributors

- **Instagram & Social Media:**
 - **Search Strategy:** Use the same strategy as for the Ariella guide: search for models via agency tags (@imgmodels, @elitemodel) and hashtags (#editorialmodel, #runwaymodel).
 - **Engagement:** DM them with a value-first approach. "Hi [Name], we love your work and the authentic style you bring to your content. We're a new digital magazine focused on the modelling industry and we're looking for contributors and talent to feature. Would you be open to a conversation?"
- **LinkedIn:**
 - **Search Strategy:** Use the same model search as in the Ariella guide.

3.3 How to Find Freelance Fashion Journalists & Content Creators

- **LinkedIn:**
 - **Search Strategy:** Search for "Freelance Fashion Journalist," "Fashion Writer," "Content Creator Fashion." Filter by location.
- **Other Sources:**
 - **Contently & Muck Rack:** These platforms host portfolios of freelance writers.
 - **PitchWizard:** A resource for writers looking to pitch to magazines.
 - **Substack & Medium:** Find writers publishing their own fashion newsletters and content.

3.4 How to Find Advertising Partners & Brand Managers

- **LinkedIn:**
 - **Search Strategy:** Use Sales Navigator to target "Brand Manager," "Marketing Director," "VP of Marketing" at target fashion brands (e.g., Chanel, Dior, Louis Vuitton, Gucci, emerging designers).
 - **Messaging:** Connect with a focus on their need for a targeted, engaged audience. "Hi [Name], I see you're leading marketing at [Brand]. Our digital magazine reaches a highly engaged, fashion-forward audience. We offer unique ad formats and content partnerships that deliver tangible ROI."
- **Other Sources:**
 - **Industry Events:** Paris Fashion Week, luxury brand events, advertising industry events.

4.0 Prospecting Canvas: List of Example Stakeholders & Resonant Messaging

High Priority: Priority Level 1 (Most Sensitive/High Value) *These stakeholders are actively experiencing the most critical pain points (e.g., content saturation, low engagement).*

- **Stakeholder (Digital Fashion Editor):** "Editor_Camille", a digital fashion editor complaining about the "death of the magazine" and low traffic.
 - **Resonant Message:** "Camille, the fight against content saturation and declining traffic is real. At EOEX Publishing, we're building a solution by focusing on the one area that's underserved: the fashion modelling industry. Our ecosystem gives us access to exclusive content and talent that drives genuine engagement. We'd love to collaborate."
- **Stakeholder (Freelance Fashion Journalist):** "FreelanceFashionWriter" on LinkedIn, posting about getting pitches rejected.
 - **Resonant Message:** "The rejection is brutal. We hear you. At EOEX Publishing, we're building a platform that's eager for fresh, insider perspectives on the modelling world. We're looking for writers who can bring a unique voice to this space. DM me your portfolio."

Medium Priority: Priority Level 2 (Sensitive/Aware) *These stakeholders are aware of their challenges and are beginning to look for solutions.*

- **Stakeholder (Brand Manager):** "BrandMgr_Luxury" posting about the difficulty of reaching Gen Z.
 - **Resonant Message:** "It's the million-dollar question: how do you connect with Gen Z? At EOEX Publishing, we are building a community, not just a magazine. Our audience is built on authenticity and a genuine connection to the fashion world. Let's discuss how we can help you build a bridge to this elusive demographic."

Low Priority: Priority Level 3 (Potential) *These stakeholders could benefit from the solution but may not yet know it exists.*

- **Stakeholder (Fashion Model):** "Model_Emma", a successful model who has no formal personal branding strategy.
 - **Resonant Message:** "Emma, your editorial work is amazing. But are you building a brand that extends beyond the runway? EOEX Publishing can give you a platform to tell your own story, build your personal brand, and connect with your audience on a deeper level."
-
